Dear Sir,

Sub: Permission for Industrial Visit at 132kv substation Sehore

As you may be aware that Sri Satya Sai University of Technology & Medical Sciences, Sehore is one of the most reputed engineering institutions in Sehore and is known for its excellent record in academics and co-curricular activities. The university offers bachelor degree course in EE, EX, EC, CIVIL, CSE, IT, ME, Mining, Aeronautical & Chemical Engineering. The state-of-the-art facilities and competent faculty provide an excellent climate for the all round development of the students. As a part of the curriculum, the students of EE & EX are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In the above background, we would like to send a batch of about 25 students of EE & EX branch of III & IV year at "132 kv Substation Sehore". I request you, to kindly accord the necessary permission for the mentioned visit and arrange for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company/substation for the visitors and will in no way disturb the functioning of the company during their visit. If permitted, dates can be decided by mutual telephonic and mail conversation.

We shall be grateful for a favorable response.

Thanking You,
