Sri Satya Sai University of Technology and medical sciences maintains physical and academic facilities for effective teaching and learning. The computer systems and other sensitive equipment (Servers, Projectors, Printers, Scanners, Xerox machines, Bio-metric machines, Face Detector) are provided with UPS backup system to avoid any damage during power outages.

Sri Satya Sai University of Technology and medical sciences has installed a 750. KVA transformer, 450 KVA generator and UPS with 250 KVA . The institute has provided sufficient generator, enough batteries for backup and proper earthing connection to ensure safe power source. The UPS batteries are regular checked once in a month. The servicing of diesel generator is done twice in a year for effective functioning.

1. Anyone in need of repair and maintenance work has to register their complaint in the office giving the details of the maintenance required.
2. All campus entry/ exit Gates have been installed with CCTV camera to monitor entry and exit. Employees attendance capture using Face recognition system and integrated with ERP
3. Technician visits the site and completes the maintenance as required.
4. Head of admin department signs after the Job Completion.
5. Bill is generated and processed through the concerned authorities and forwarded through for final payment.
6. The institute has Annual Maintenance Contracts for computer related repairs and maintenance

Drinking water cooler maintenance, power backup systems, fire extinguishers and pest control for Building. The housekeeping work is outsourced to Professional company which takes care of cleaning work of complete building.

The institute maintenance policy and procedure is applicable to usage of both Physical academic and the support facilities. The physical facilities include classrooms and computer labs etc. are made available for the institute students. Institute infrastructure is regularly used by institute during its teaching schedule and other competitive exams.

The maintenance and classroom cleaning responsibility is shared by the administrative staff and housekeeping staff. The institute campus garden is maintained by the gardener appointed by the institute.

The institute has adequate number of the computers with internet connections and the required utility software's at all working places such as office, library, placement cell, staff rooms etc. The computer lab is having LAN facility open for the students according to their lecture schedule. All the office computers are also connected through the LAN which makes work easier and systematic but accessible to office staff only. LAN facility is available on library computers along with ERP. Every faculty and staff have computer with internet at their desk.

There is dedicated technical staff to help maintain all the IT resources. IT Cell looks after the website's designing and maintenance with great enthusiasm

Generator is regularly monitored and servicing maintain. All Plumbing maintenance is taken care with the help local skilled personnel's. The institute has allotted exclusive infra facility to support student's academic as well as professional development through rich library, sports equipment, competitive examination cell etc.

Established Systems and Procedures for Maintaining and Utilizing Physical, Academic and Support Facilities the Institute ensures the availability of latest equipment and up-to-date infrastructure in the campus. There is a systematic procedure for the purchase as well as maintenance of these infrastructural facilities including all sorts of equipment's which is as follows:

- Submission of requirement in the form of a proposal
- Evaluation by Purchase Committee and Maintenance Committee
- Approval by the Deans/Vice Chancellor
- Call for quotations and verification of prices and availability of the items
- Approval from the Management
- At the end of financial year stock verification is undertaken for various departments and a detailed report is compiled. Based on this policy the perspective plan for the maintenance, repair, writing off and purchase of relevant infrastructure facilities is formulated.
- The university Administrative Officer regularly monitors and supervises the available Infrastructure and ensures its upkeep, repair and other maintenance of the infrastructure.

SRI SATYA SAI UNIVERSITY OF TECHNOLOGY AND MEDICAL SCIENCES

SH-18, Bhopal-Indore Road, Pachama, Sehore (M.P), Pin - 466001 (+91) 07562-292740, 7562292720, 7748900027, 7748900028

There is a dedicated committee in the institute which takes care of overall institute maintenance and upkeep.

Lab in charge of the institute looks after the computer labs and Language Lab responsible for the maintenance and up gradation of computer related hardware and software. Admin department maintains a dead stock register and conduct annual stock checking of their respective departments.
