### Important Information

### **Complaints and Appeals**

UNSW follows a three stage complaints handling model.

- Local Resolution: If you feel comfortable handling your issue then the best resolution of a complaint is near its source.
- Central Resolution: This is a formal process for more serious or complex complaints, or for matters unresolved by or inappropriate for the local process and involves the Student Conduct and Integrity Unit.
- 3. Appeals: An appeal in respect of a decision following a Stage 2 process may only be lodged on the grounds of a lack of procedural fairness in the investigation process.

External Review: If you are dissatisfied with the outcome of the appeal you may seek external review, for example by an agency such as the NSW Ombudsman.

Further Information about the complaints and appeals process can be found at <a href="mailto:student.unsw.edu.au/complaint">student.unsw.edu.au/complaint</a>

### **Refund and Program Discontinuation Policy**

Applicants who notify the University in writing that they wish to withdraw/discontinue from their program in their commencing term, will receive a full refund of all tuition fees and unspent non-tuition fees paid, less a discontinuation fee.

Any Refund and Discontinuation Fee will apply as per the following table:

Refund and Discontinuation Fee	
Visa refusal, documented illness/misadventure	Full refund
Accepted a full offer of admission and paid the deposit fee	50% of the deposit fee
Where a student has been found to have submitted false information and/or fraudulent documentation	No refund
Enrolled and requests withdrawal/discontinuation after Census date	Student remains liable for full tuition costs

For more information about the UNSW Student Fee Policy and Student Fee Procedure visit student.unsw.edu.au/fees-policy. This policy, and the availability of complaints and appeals processes, does not remove your right to take action under Australia's consumer protection laws.

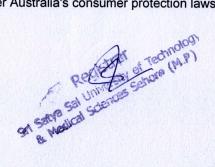

In the unlikely event that UNSW is unable to offer an alternative course or pay a refund you can contact the Australian Government Tuition Protection Service (TPS) for assistance. Please go to <u>tps.gov.au</u>. The TPS ensures that overseas students are able to either complete their studies in another course or with another education provider or receive a refund of their unspent tuition fees.

### **Overpayments**

Overpayments arising from changes to enrolment will automatically be allocated to future charges for enrolment and related fees, unless a refund is specifically requested.

UNSW adheres to the Payment Card Industry (PCI) Data Security Standards (DSS) and will, in all cases attempt to return any overpayment back to the originating card or cardholder in Australian dollars. To request a refund complete the Refund Request Form which can be found at <a href="mailto:student.unsw.edu.au/fees/refund">student.unsw.edu.au/fees/refund</a>.

30 April 2019

Dear Amit,

Performance year 2018-19 has been an incredible journey marked by excellent performances by the business and the entire Solaris team. The organization made a big leap forward both on revenues and profits, with records being broken month after month. Less rain in the Rann, sustained high selling prices, continued operational excellence, all contributed to a fantastic year.

Our continued commitment to Safety, Health and Environment coupled with the team's perseverance helped us win the prestigious National Award for Excellence in Water Management 2018 from the CII Triveni Water Institute for water conservation this year.

In December, we saw a change in ownership, and we will work together to derive future growth and synergies. Our focus continues to be to increase production levels in the future and achieve our goal of operating at full capacity of 23,500 MT of Bromine. We have moved to a more aggressive brine field expansion plan, with the first large increase of 1,000 hectares underway. We will continue our efforts in diversifying into Potash and Salt in the near future.

This has been made possible through a well-coordinated team effort throughout the year and we are pleased to announce the yearly performance incentives and Increments marked by rewards for the exceptional contributors.

In our quest to continually support performance, we have made some positive changes to Career progression plan for Associates and Senior Associates. We shall continue to improvise further on this to support employees better in their performance.

Based on assessment of your performance and contributions during the year, your annual CTC has been revised to Rs.313600/- effective 1-Apr-2019.

Thank you for your efforts and contribution. We look forward to your continued support and value addition to exceed organizational objectives.
