Sri Satya Sai University of Technology & Medical Sciences, Sehore Student Council

For the holistic development of the students, it is very important to provide them with the platform where they can showcase their talent and unleash their latent potential. Student council is a student representative body which ensures representation of all the students in the university.

The opinions, fears, prospects and wishes of the students are at the heart of everything, at Sri Satya Sai University of Technology & Medical Sciences, Sehore through student Council we do allow us to set targets that are realistic to their expectations.

We create a welcoming environment for the students where they can share their challenges and issues, academic and administrative as well. We encourage a culture of friendship between all of our students regardless of sex age race religion disability sexual preferences and possible discriminatory factors. Their issues/grievances are raised and directed to the concerned departments/authorities and followed up till they get addressed and resolved.

Sri Satya Sai University of Technology & Medical Sciences, Sehore student council: the formation of a student council in an institution is very important as it is a representative body of students which gives voice to the students. At Sri Satya Sai University of Technology & Medical Sciences, Sehore, student council was first formed in 2014. Since then, it has been consistently working for the welfare and interest of its students. The council works as a link between students and the management and help the students to solve their problems, and to share their ideas. It is also in umbrella body for all clubs and societies at the campus and responsible for the smooth conduct of the clubs/societies activities.

Sri Satya Sai University of Technology & Medical Sciences, Sehore student council works to inculcate following among the students:

- ✓ Encourage them take leadership roles and responsibilities by appointing the students on various responsible posts in the student's council.
- ✓ Provide them with the environment where they can give voice to their ideas.
- ✓ Foster a sense of belongingness among the students by promoting and keeping the rules and regulations of the university.

CONSTITUTION

Sri Satya Sai University of Technology & Medical Sciences, Sehore student council is a conglomerate of students' clubs and societies at Sri Satya Sai University of Technology & Medical Sciences, Sehore. The council is a part of the University administrative and academic structure unlike an independent Union. The council is devoted to the educational interests and welfare of its members while following strict guideline established by the University.

Mission:

Holistic development is what we aim for by providing representation, educational development and social & extracurricular opportunities.

Vision:

At the heart of the student Experience; we strive to have a positive impact on each and every of our members.

Values:

Trust: We put faith and trust in our students and their ability to manage student activities, as well as inspiring trust in our students by being open and honest with them about their student council.

Integrity: We aim to create an inviting atmosphere for all of our students and encourage them to be-come involved in the local and national student community and the residential community of the city they dwell in

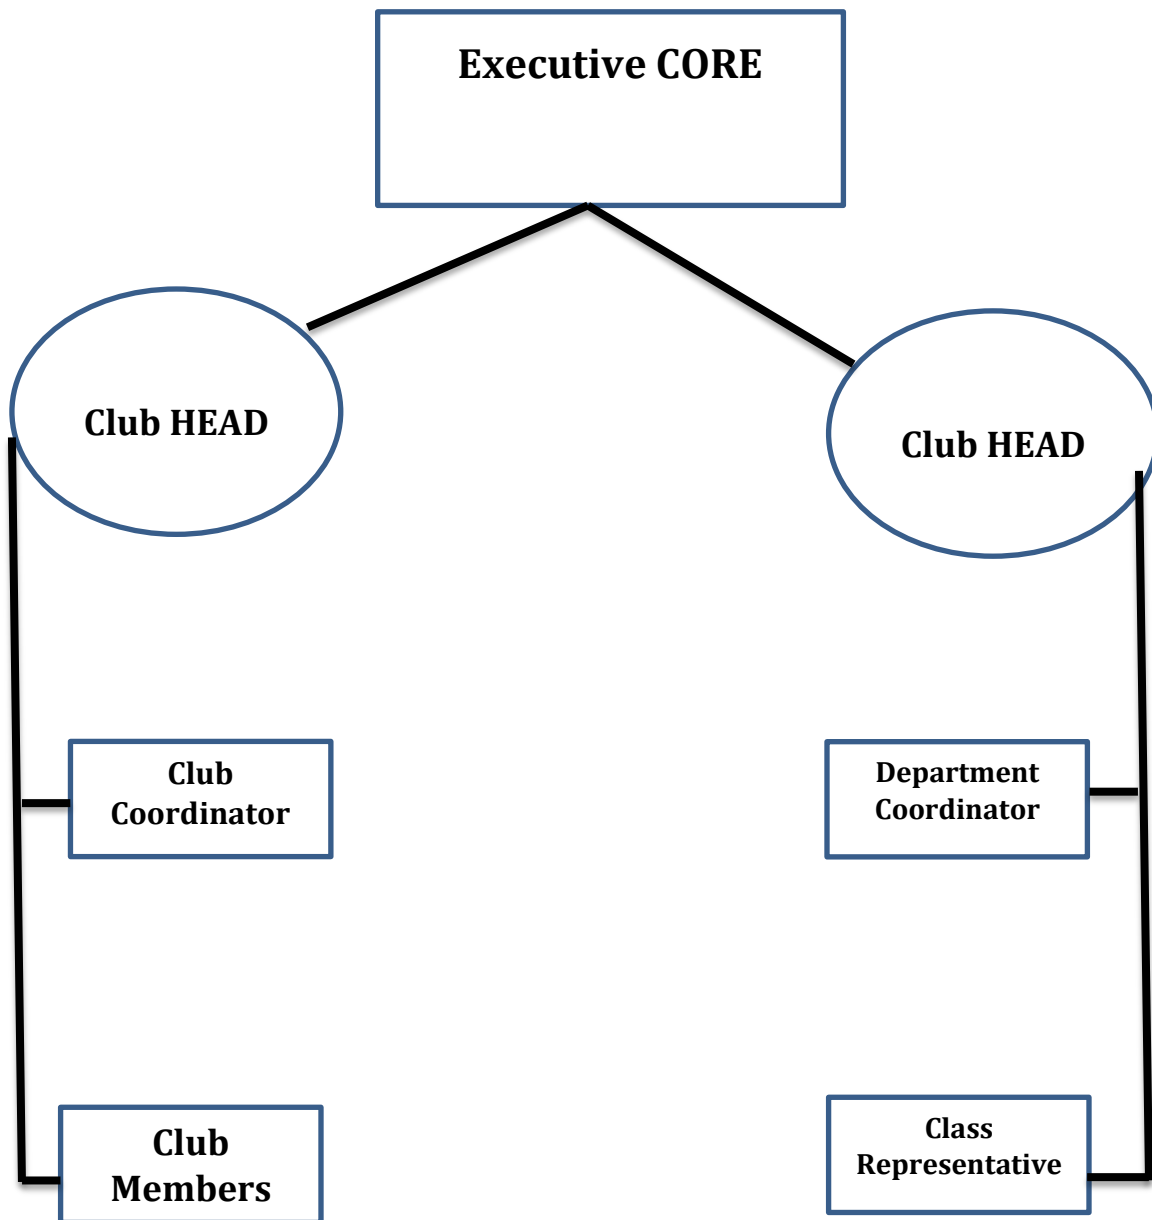

Environment: We look to not only campaign about issues surrounding our environment, but provide an example for others to follow by reducing our carbon footprint and constantly our methods of recycling. We also believe in providing safe and friendly spaces for our students use.

Equality: We encourage a culture of friendship between our entire student regardless of sex, age, race, religion, disability, sexual preference or other possible discriminatory factors.

Empowerment: The opinions, fears, prospects and wishes of students are the heart of everything we do and allow us to set targets that are realistic to their expectations.
