**MEMORANDUM OF UNDERSTANDING  
FOR THE DEVELOPMENT OF ACADEMIC COOPERATION**

**Between**

**Ajeenkya DY Patil University, Pune (Hereafter: "ADYPU")**

**And**

**Sri Satya Sai University of Technology and Medical Sciences, Sehora, M.P (Hereafter: "SSSUTMS")**

[Each of ADYPU and SSSUTMS shall be referred to as a "Party" and together as the "Parties"]

In furtherance of their mutual interests in the field of education and as a contribution to increased cooperation, ADYPU and SSSUTMS, both academic institutions, are desirous to establish academic linkages and contacts through a formalized MOU.

**A. PURPOSE**

The aim of the Memorandum of Understanding shall be to set forth the basis for all specified and particularized joint activities of the Parties hereto, each of which shall be subject to the Parties' entering into a separate agreement, all - in order to achieve a broad balance in the respective contributions and benefits of the collaboration, and this shall be subject to periodic review by the Parties.

The purpose of the cooperation between ADYPU and SSSUTMS is as follows:

- To promote interest in teaching and research activities of the respective institutions, and
- To deepen the understanding of the economic, cultural, and social issues environment of the respective institutions.

To achieve these goals, ADYPU and SSSUTMS will, insofar as the means of each allow:

- Promote institutional exchanges by inviting faculty and staff of the partner institutions to participate in a variety of research activities and professional development;
- Organize symposium, conferences, short courses and meetings on research issues.
- Carry out joint research programs in order to deepen the analysis and understanding of science and technology of the respective institutions; and

## B. SCOPE OF THE AGREEMENT

1. The Parties hereto express their intention to:
  - (i) cooperate in the exchange of information relating to their faculty activities in fields of mutual interests;
  - (ii) promote joint faculty and scholar activities;
  - (iii) encourage staff or students to spend some time in the respective host institution. The exchange of staff or students will be dependent upon the execution of a formal Staff or Student Exchange Agreement mutually agreed between the Parties in writing prior to commencement of this activity;
2. The coordinators from the institutions will prepare an annual joint report on activities in the areas of cooperation under this Memorandum of Understanding – upon request.
3. In the implementation of specific cooperative programs, a written agreement covering all relevant aspects including funding and the obligations to be undertaken by each party, as well as the various aspects of any possible outcome (e.g. intellectual property, patents, copyrights, commercialization of the outcome, etc.) will be negotiated, mutually agreed and formalised in writing, prior to the commencement of the program.

- C. This Memorandum of Understanding / Agreement will be identified as the parent document of any program agreement executed between the parties. No modification, alteration or amendment of this Agreement will be effective unless in writing and signed by the Parties. Further agreements concerning any program will provide details concerning the specific commitments made by each party and will not become effective until they have been put down in writing and executed by the duly authorized representatives of the parties. The scope of the activities under this agreement will be determined by the funds regularly available at both institutions for the types of collaboration undertaken and by financial assistance as may be obtained by either institution from external sources.

## D. INFORMATION SHARING & CONFIDENTIALITY

Each party undertakes to respect the confidentiality of the other party's confidential information. Each party is to treat all confidential information owned by the other party which
